Report of webinar on "BSE - Capital Market Awareness Program"

28th August 2023

A seminar on the topic " *BSE - Capital Market Awareness Program* " by the speaker Prof. Arvind Savant was held for the students of TE-IT on 28th August 2023.

Seminar started with the welcome speech and introduction of the speaker by Miss.Saee Datar. Prof. Arvind Savant then addressed the student, With the introduction of Stocks and its Pros and Cons. How to invest in stock at begging and why to invest in stock market.He also told different scenarios with different examples and also explained importance of stock market and investment and its advantages.

This session was totally helpful as we have gained knowledge about stock market and how to start investing in that at the beginning level. Total no of students attended this event are 46.

A seminar on the topic " *BSE - Capital Market Awareness Program* " by the speaker Prof. Arvind Savant was held for the students of TE-IT on 28th August 2023

Report of Seminar on "Introduction to NodeJS"

7th October, 2023

On 7th October, 2023, A session was conducted on "Introduction to NodeJS" by respected Mr. Qaidjohar Jawadwala Sir who is founder and CEO of QJ Technologies, Pune. The one hour session was conducted from 9:30 am to 10:15 am for TEIT students. Total 66 students of TEIT were present for this session. The discussion enlightened students about the skills required for grabbing a good job with a higher package.

Sir has shown a road map towards a successful and bright career by covering various points such as how to prepare for an interview? What are trending technologies? Which skills are required at present industry level and much more. The discussion was also about important certified courses and how to make the best out of them which are available on various online platforms such as Coursera, Udemy etc.

Sir has well informed about APIs which act as a middle man allowing developers to build new programmatic interactions between the various applications people and businesses use on a daily basis. Overall the session was highly informative.

One of the best part of the entire session was acknowledging the fact that scoring good pointers and working only on academics is not enough for getting a well paid job and staying employed in the era of recession and mass layoff by asking us to develop our skills and practical knowledge of the field where logical reasoning and verbal reasoning is parallelly important.

The session organized by the faculty was appreciated by the students and hoping to organize such inspiring sessions ahead in future which could help us to shape our future in better way.

A session was conducted on "Introduction to NodeJS" by respected Mr. Qaidjohar on 7th October, 2023

Report of Workshop on "Programming Web API's with NodeJS"

13th and 14th October, 2023

A two-day workshop on "Programming Web APIs with NodeJS" was held on the 13th and 14th of October, 2023. The workshop was led by Mr. Qaidjohar Jawadwala, the esteemed founder and CEO of QJ Technologies, Pune. The session was specifically tailored for Third-Year Information Technology (TEIT) students, with a focus on enhancing their skills in web development, particularly in building and deploying APIs using NodeJS.

Day 1: Introduction to NodeJS and API Basics

Session Highlights:

- **Introduction to NodeJS:** Mr. Jawadwala began by explaining the fundamentals of NodeJS, its architecture, and why it's a preferred choice for building scalable web applications.
- **Setting up the Environment:** Participants were guided through the process of setting up the NodeJS environment, including installing NodeJS and necessary modules.
- **Understanding APIs:** The concept of Web APIs was introduced, explaining how they work, and their importance in modern web development.
- **Building a Simple API:** By the end of the day, students were able to build a simple API using NodeJS and Express.js.
- **Practical Exercises:**
  - Hands-on coding sessions where students created their first API endpoints.
  - Exercises focused on understanding GET and POST requests.

Day 2: Advanced API Development and Deployment

Session Highlights:

- **Middleware and Routing:** The second day delved into more advanced topics such as middleware, routing, and error handling in NodeJS.
- **Connecting to a Database:** Mr. Jawadwala demonstrated how to integrate a NodeJS application with a MongoDB database to store and retrieve data.
- **Authentication:** An introduction to implementing authentication mechanisms in APIs using JWT (JSON Web Tokens).
- **Deployment:** Students were taught how to deploy their NodeJS applications to a cloud service, ensuring their APIs were accessible online.
- **Practical Exercises:**
  - Developing a complete CRUD (Create, Read, Update, Delete) API.
 - Deploying the API to a cloud platform like Heroku or AWS.

Outcome:

The workshop was highly beneficial for the TEIT students, who gained valuable insights into API development using NodeJS. By the end of the two days, students were not only familiar with the basics of NodeJS but also equipped to build and deploy their own web APIs.

Workshop on "Programming Web API's with NodeJS" on 13th and 14th October, 2023 was conducted by Mr. Qaidjohar Jawadwala, founder and CEO, QJ Technologies, Pune for TEIT students

Seminar on "Microsoft Cloud Internship Awareness"
4th August 2023, Friday

An MOU is signed between Bharati Vidyapeeth's College of Engineering for Women and KasNet Technologies Pvt. Ltd. Under this MOU, Department of Information Technology organized a seminar on "Microsoft Cloud Internship Awareness" on 4th August 2023, Friday from 10:15 a.m. to 11.15 a.m. in class room 206.

Mr. Amol Aher, Director, KasNet Technologies Pvt. Ltd. was the resource person for this seminar. This seminar was held for the TE IT students. The seminar was conducted successfully in the valuable presence of H.O.D. IT Prof. Dr. D.A. Godse and MOU coordinator Mrs. S.A. Hadke.

Seminar started with the welcome speech and introduction of the speaker by Dr. D.A. Godse. Then Mr. Amol Aher addressed the student by telling about placement preparations. He gave brief information about Placements for Engineers along with this he also explained importance of internship and global certification. Moreover, Mr. Amol Aher told about roadmap of the IT world and also how to get job quickly in MNC.

Seminar was very informative and students learnt a lot about company placement and got proper guidance regarding internship, job and roadmap of the IT world. Vote of thanks was delivered by Miss. Sae Datar.

The conduction of this MOU event was a grand success.

Report of Seminar on "Research Paper Writing"

</div>

The Department of Information Technology organized a seminar on **"Research Paper Writing"** by Dr. Prakash Sharma (Founder & CEO Passion Infotech) on the 6th October , 2023, Friday from 1:00 pm to 3:00 pm for the students of BVCOEW. Students from BE has attended this seminar. The seminar aimed to guide attendees through the process of crafting effective research papers, covering key topics such as longitudinal and cross-sectional research, abstracts, introductions, related work, system proposals, system design, algorithms, conclusions writing, and bibliographies with the help of " AI tools".

The program started with a brief introduction of the speaker by Prof. A. D. Khairkar Mou Coordinator. The speaker, Dr. Prakash Sharma shared his experience in Research Paper publishing. He further explained the need and importance of writing a proper research paper. The seminar commenced with an overview of longitudinal and cross-sectional research methods, highlighting their differences and appropriate use cases.

Attendees learned how to select the most suitable research design based on their objectives and hypotheses, how to write a concise and informative abstract, introduction that addresses the whole paper precisely. A comprehensive system design is crucial for many research papers. Attendees were educated on structuring and documenting the design of their systems, including architecture, data flow, and user interfaces with help of tools like "ChatUML","Canva". Attendees learned how to explain complex algorithms in a clear and understandable manner, with appropriate notations and pseudo code. The final part of the seminar highlighted the importance of a well-organized bibliography. The speaker actively addressed queries of students throughout the session.

The session ended with a Vote of Thanks speech by a Prof. A. D. Khairkar .

Students left with a deeper understanding of the academic writing and the tools necessary to produce high-quality research papers. The seminar was a resounding success in guiding the students with the knowledge and skills needed to excel in their academic activities.
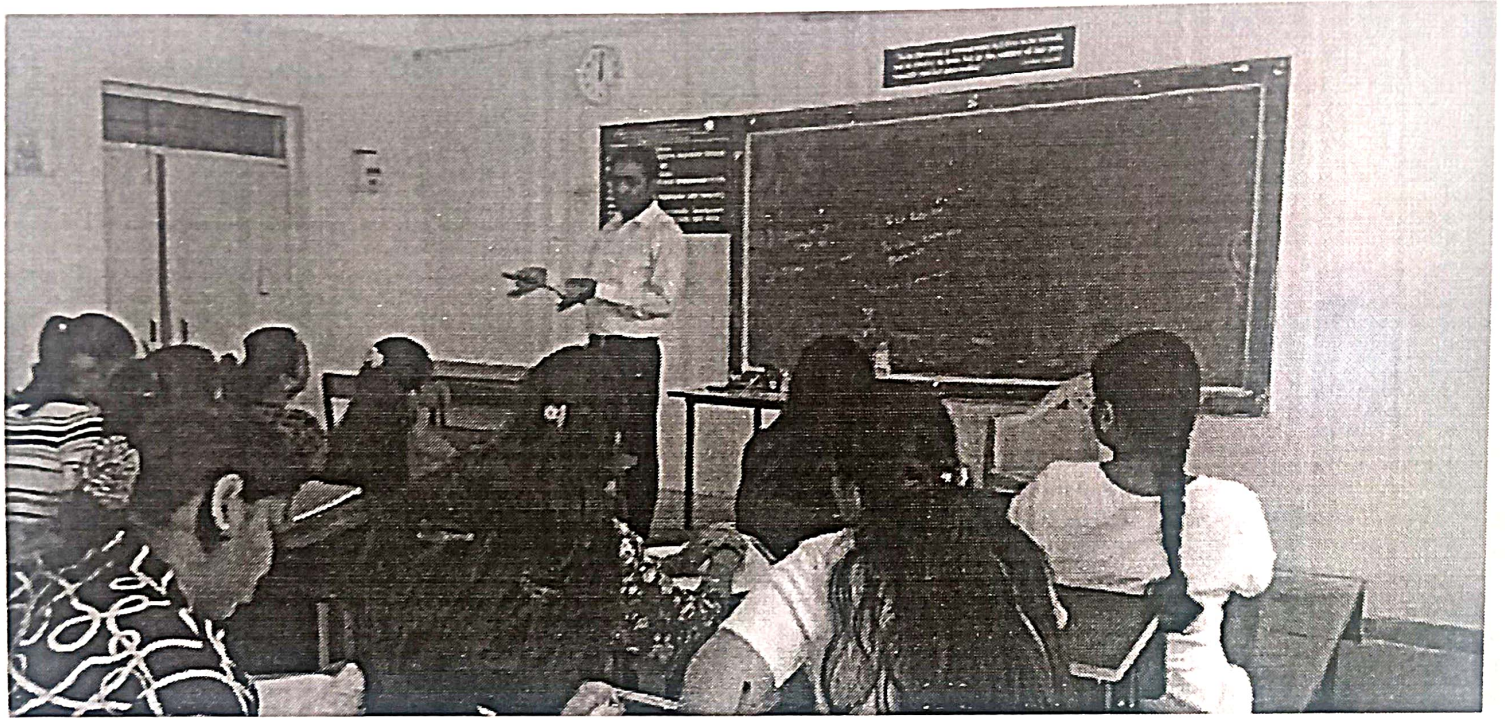

Workshop on "Research Paper Writing" by Dr. Prakash Sharma on 6th Oct 2023.50 BE IT students attended session.

ENTREPRENEURSHIP DEVELOPMENT CELL (EDC)

Academic Year: 2023-2024

Session:1- Report of "Enterpreunership and Innovation as a career opportunity" on 12th April, 2024

The Entrepreneurship development Cell of Bharati Vidyapeeth's College of Engineering For Women, Pune conducted seminar on a **"Enterpreunership and Innovation as a career opportunity"** under the Session-1 of **IIC "Impact Lecture Series 2024**" conducted by Mr. Mohan Anturkar.

The workshop began with the National Anthem. Then it is followed by their felicitation by Principal Dr. P.V. Jadhav to Mr. Mohan Anturkar, and other delegates. Ms. Vedika shinde and Ms. Sharyu Tekade gave the introduction of speaker. and Prof.A.D.Khairkar gave the introduction about the Entrepreneurship Development Cell related activites conducted under ED-cell and IIC. Principal Dr. P.V. Jadhav guided the students about the benefits of innovative skills for startups.

Mr. Mohan Anturkar conducted the session with the importance of entrepreneurship he explained Entrepreneurship plays a crucial role in driving innovation, economic growth, and job creation in societies worldwide. As such, fostering entrepreneurship development has become a priority for many governments, organizations, and educational institutions. This report aims to analyze the key aspects of entrepreneurship development, its importance, challenges, and strategies for fostering an entrepreneurial ecosystem. Also he explain important point as : fear of failure, meaning of failure, wealth creation with a smile,Innovation, FEAR - false, evidence, real, appears, Don't give excuses,Decide the Goal, Decide means to achieve the Goal,maintain the means (consistency), Decipline.

Felicitation of Guest

Session 1: "Enterpreunership and Innovation as a career opportunity"

Felicitation of Guest

Session by Experts

At the end of the workshop, Ms.Vedika Shinde gave vote of thanks on behalf of all students to esteem speaker for their views and also thanked the Entrepreneurship Development cell coordinator Prof. M.S. Kasar for elaborating the benefits about how entrepreneur is job givers and not job seekers.Prof. V.P. Mulik, co-ordinator start-up cell , Prof. Dr.S.L. Kore, IPR coordinator ,Prof.A.D.Khairkar, IIC coordinator also helped in overall coordination for successful conduction of seminar and Principal Dr. P.V.Jadhav motivated in organzining an amazing workshop for all the T.E. students. The program was quite informative and interesting too. This workshop was attended by more than 100 students of T.E.(E&TC), T.E.(Comp), T.E.(IT) and S.E.(E&TC), S.E.(Comp), S.E.(IT).

Report of celebration activity on "Successful Landing of Chandrayan 3 on moon at south pole"

The Institution Innovation Council organized a celebration activity on "Successful Landing of Chandrayan III on moon at south pole" for Second Year students on 14th Sept. ,2023 from 2-4 pm. 143 students from SE has attended this session.

An incredible program was conducted by second year volunteers to celebrate our global success of landing of Chandrayaan 3 on south pole of the moon, the rarest discovered part of the moon program under the guidance of Prof. Ashwini Khairkar the convenor of IIC. Second year students shown their talent and enthusiasm by participating various activities like Poster presentation and storytelling competition and quiz competition. The program starts with Sarswati Vandana, which is a beautiful way to celebrate our success. Then, welcome speech is given by IIC Convenor Prof. Ashwini Khairkar. After that the program was led by the valuable address by IIC President and Our Principal Prof. Dr. S. R. Patil. He shared information about Chandrayaan 3 and enlightened us about contribution of engineers who served Chandrayaan 3 mission. Then SE volunteers conducted various activities like poster making, storytelling and quiz competition.9 students participated in story telling competition and 14 students participated in poster competition followed by quiz in that students actively participated in it and showcase their talent. Then winners were selected by the judges Principal Prof. Dr. S. R. Patil,Prof. Ashwini D. Khairkar,Dr.S.L.Kore and Prof.P.D.Kale. Winners were felicitated by dignitaries by giving certificate.

The session ended with a Vote of Thanks speech by Second year student Ms. Samiksha Pardeshi.

A Celebration activity on "Successful Landing of Chandrayan III on moon at south pole on 14th Sept. 2023. **Total no. of Students attended 143.**

Report of Seminar on "Intellectual Property Rights (IPR)"

Institution Innovation Cell(IIC) successfully organized a one-hour seminar on "Intellectual Property Rights (IPR)" on 7th February 2024, from 10:00 AM to 11:00 AM, in Classroom 206.

The seminar was specifically arranged for TE IT students and was attended by 58 participants. The session commenced with a warm welcome speech delivered by **Ms. Lakshita Panchbhai**, a student of TE IT, who also introduced the esteemed speaker, **Dr. Nidhi Jain**. She started the seminar by providing a comprehensive introduction to Intellectual Property Rights (IPR), emphasizing their importance and relevance in today's world. The speaker shared legal strategies for the effective utilization of IPR and explained how these concepts can be practically applied in students' lives. The seminar was highly interactive, with students showing enthusiasm and a keen interest in learning more about IPR. The event concluded with a vote of thanks delivered by **Ms. Lakshita Panchbhai**, expressing gratitude to the speaker and the organizing team. **Prof. A.D. Khairkar** presented a token of appreciation to **Dr. Nidhi Jain** on behalf of the department.

The seminar proved to be a valuable learning experience, equipping students with essential knowledge about Intellectual Property Rights and their applications.
