These two are necessary not only to construct the society but to develop and nourish the society. She explained in simple marathi language that how Mother Jijau has nourished the Shivaji and how she inculcated values and virtues in the mind of young soldiers i.e. *emavala*. Only strength is not suffice but intellect has its own role in the maintenance of Swarajya. She elaborated that how Jijau has develop the Poona and what sufferings she has received in transforming the society. Jijau's father Lakhojirao Jadhav has taught her uses of weapons and self-defence, horse riding, made her literate to write and express her thoughts. She has skills of administration and control over subjects. She made an emotional appeal to all young minds to build a Swarajya i.e. self-rule. She has established Cooperative institutions for the farmers, she abolished Sati rites and many other inhuman customs.
