### Course Outcomes and Programme Outcomes

#### Learning Objectives / Outcomes –

**Course / Learning Outcomes** are specific and measurable statements that define the knowledge, skills, and attitudes learners will demonstrate by the completion of a course. Learning Outcomes are written with a verb phrase and declare a demonstrable action within a given time frame, such as by the end of the course. Ideally, they should be observable, measurable, and achievable within a specified time period. For some, this definition describes what they have already understood to be Learning Objectives.

#### Three year law

After the successful completion of this program, the student will be able to-

- Understand Indian legal system and justice delivery mechanism.
- Understand the substantive laws and the rights/obligations they create in social order.
- Learn procedural laws in relationship with substantive laws.
- Learn the skills of lawyering, pleading and drafting.
- Understand the evaluation of Indian constitution, the right conferred, and the constitutional machineries for the protection and preservation of constitutional and statutory rights.

#### Five year law

After the successful completion of this program, the student will be able to

- Able to relate the inter-relation between law, society and social science subjects.
- Understand Indian legal system and justice delivery mechanism.
- Understand the substantive laws and the rights/obligations they create in social order.
- Learn procedural laws in relationship with substantive laws.
- Learn the skills of lawyering, pleading and drafting.
- Understand the evaluation of Indian constitution, the right conferred, and the constitutional machineries for the protection and preservation of constitutional and statutory rights.

#### LL. M.

After the successful completion of this program, the student will be able to

- Take empirical research in the field of law so as to connect the "ought" with "is".
- Evaluate the justice dispensing system of India in the context of competing rights.
- Understand the interplay between the ground norm and ordinary laws.
- Assess the efficacy of new laws like RTI, cyber law etc in legal system.
- Adjudge the business laws in the context of protection of rights of people.

### **Assessment of COS, POs and PSOS**

The assessment takes place at following levels:

- a) The Course-level Assessment
- b) The Programme level assessment

#### **a) Course-Level Assessment:**

The CO attainment levels are measured based on the results of the cumulative internal term work and semester end examination conducted by the university. This is a form of direct measurement of attainment.

For individual attainment calculations based on the assessment 30% weightage to cumulative internal examinations and 70% weightage to semester, end examination.

#### **b) The Programme level assessment**

Students who complete a three-year LLB programme get a bachelor's degree in law's core subjects.

Bar Council of India conducts All India Bar Entrance Exam, our students appears and qualifies this entrance exam successfully.
