Ref: Our letter No.BCI:LE:611:2000(LE/Afflin.)  
dated 19.6.2000.

Sir,

This is to invite your attention to this office letter cited above in regard to admission of students in the Bharati Vidyapeeth's New Law College at Karad under your University. In our letter noted above, certain mistakes have crept in inadvertently and therefore I am writing this letter. The letter may be read as follows:

“Taking into consideration that Bharati Vidyapeeth'S New Law College at Karad has received permission from the Government of Maharashtra, but the matter of grant of affiliation by the University is still pending. The Committee is of the view that a letter be sent to the Principal stating that the matter of approval of affiliation by the Bar Council of India will be considered only after affiliation from the University is obtained.

The admission of students for the current session shall be subject to grant of affiliation by the University and approval of affiliation by the Bar Council of India.”

You are therefore requested to treat the earlier letter as cancelled and replaced by this letter. The inconvenience if any caused is regretted.

Yours faithfully,

(S. RADHAKRISHNAN)  
SECRETARY
